

Blue Line Global helps organizations strengthen strategy, sharpen executive communications, and improve operational performance through tailored, high-impact support services, including:

- Business-to-Business Strategic Advisory
- Executive Presentation Preparation and Briefing Support
- Government Executive Engagement Preparation
- White Paper Review, Strategy Alignment, and Message Development
- Proposal Red Team Reviews and Competitive Assessment
- Acquisition Support Services
- Contract Specialist Support
- Portfolio, Program, and Project Management
- Strategy Development and Implementation
- Regulatory Compliance and Risk Management
- Data Analytics and Reporting
- Fraud Prevention and Investigative Support

Differentiators

- **Executive-Level Insight:** We help clients develop winning strategies and prepare leaders for high-stakes oral presentations and government executive engagements.
- **Competitive Advantage Focus:** Our red team, white paper, and strategy review support strengthens positioning, messaging, and proposal quality.
- **Acquisition Readiness:** We provide acquisition support through experienced logisticians, contract specialists, and portfolio/program management professionals.
- **Customized Solutions:** We tailor every engagement to the client's mission, opportunity, and decision-making environment.
- **Proven Performance:** We bring a track record of successful business-to-business support services and trusted delivery for complex federal and commercial needs.

Past Experience

Blue Line Global brings more than 20+ years of experience at DHS, GAO, GSA, IRS, and DoW in federal contracting, executive operations, investigative oversight, business development, and program and project management. The company has delivered business-to-business support services that help clients prepare for oral presentations, strengthen white papers, improve proposals, and engage effectively with government executives. Blue Line Global has also developed organizational components and implemented policy and compliance functions within federal oversight environments, including GAO OIG, GSA OIG, and DHS.

Company Data

Blue Line Global is a certified Service-Disabled Veteran-Owned Small Business providing strategic consulting, business-to-business advisory, acquisition support, and mission-focused management services to help organizations win, communicate, and perform at a higher level.
